

## [FAQ]

### Can I use any battery to power up GV-IP cameras?

Article ID: GV11-07-25-j

Release Date: 07/25/2011

#### Applied to

All GV-IP Cameras

#### Question

Can I use any battery to power up GV-IP cameras?

#### Answer

You can use any DC 12V battery to power up GV-IP cameras which support DC 12V power source. Depends on the battery models, you can also power up multiple GV-IP cameras with only one battery. Following example is a Yuasa 12V battery pack.
